# NOTES

---

This price list supersedes all previous prices for the St James Collection products. Prices are subject to alteration without notice. Page references relate to the St James Collection brochure January 2017. All prices are inclusive of VAT at the rate of 20%.

## HOW TO CODE YOUR PRODUCT

On selecting your product, use the individual product code and select your metal finish. The options are:

**CP** Bright Chrome, **AG** Antique Gold, **NI** Bright Nickel, **BN** Brushed Nickel

**SJ100CP**  
(Product-Finish)

Follow this with your chosen handle style. The options are:

**LH** London Handle, **EH** England Handle, **LL** London Lever, **EL** England Lever

**SJ100CPEH**  
(Product-Finish-Handle Style)

All taps & mixers are supplied with 1/4 turn ceramic disc operation. However, if you prefer the option of screwdown operation on our cross top handle products, add **SD** to the code

 SCREWDOWN **SJ100CPEHSD**

The London Lever and porcelain stem are supplied in white as standard, whilst the England Lever and metal stem are supplied in the chosen metal finish.

Black options are available for the London Lever, England Lever, tap indices, porcelain stems and heated towel rails at no additional cost on antique gold, bright and brushed nickel finishes.

**To include this option on your product choice, add BK.**

 BLACK OPTION **SJ100CPEHBK**
